Veterans' Team Race; there is none now in New England.

3. Turn over the entire race to another club or organization to put on the largest race they are able.

Your Executive Committee feels that the Race problem is tied closely with the future of the Club and our membership policy. We want the thinking of all members on these important questions and are therefore calling an open meeting on Monday evening, November 15, 1954, at 5:15 P.M. at Alec Bright's office, Second Floor, 84 State Street, Boston.

We hope that everyone will be able to attend. If you are unable to do so, would you please express your opinion on the attached sheet (to be kept confidential if you so specify) so that we may be guided accordingly.

We feel that this open meeting should result in one or more decisions to be voted on at the Annual Meeting to be held three weeks later on December 6. This will hopefully allow more time for fun and frolic at the Annual Meeting.

Sincerely

DAVE ARNOLD
