

IMPORTANT CLUB BY-LAW
CLASSES OF MEMBERS

There shall be four classes to which members may be assigned according to skiing ability. The classes shall be called First, Second, Third, and Fourth Class. Requirements of members in other classes shall be respectively difficult. Members of insufficient ability shall not be assigned to any class. The Judges may assign any member to such class as they in their sole discretion deem his skiing ability to merit. At any time a member may be assigned to any class other than the one he formerly occupied. At least once each year the Judges shall assign each member to his proper class.
