

Stephen Heard, Sec.  
Hockquidge Ski Club  
Boston - Mass.

Dear Sir -  
Everything is out of control and  
please give instructions promptly.  
Please excuse the blotting paper -  
I borrowed this from Hill's top  
pocket. He likes it rough because  
it is a rugged country.  
The Pres. is doing quite nicely -  
in fact too nicely.

grateful I am sure to learn that  
I have been elected Secretary  
of the Dairy Club - Pres: F. Donaldson  
V-P & Treas. - C. Pearson - Hill is to  
be taken in very promptly. On the  
other hand it looks as if Hill & I  
must then recruit from another  
club to combat the soft influence  
which seems to overcome the V-P  
every evening. It must be the  
attitude - perhaps the attitude
