

a slight bruising. I trust you will commend the tactics employed by your humble servant for although a little severe seem to be producing results.

It is a well established principle and in fact truth - which I believe can be enforced through a perusal of history over the past centuries. The way to a man's heart is through his "pallet" (my spelling has become confused) and not through the nose

Stephen Heard, Secretary
Hochzeberg Ski Club -
140 Federal St.
Bates, Mass.

Dear Secretary -

I beg to report on the current position of your executive office to the Honorable President.

It is gratifying to note that there has been a decided improvement in his condition and as a result of last evening I believe that we can pull him through without more than
