

is being done that can be done &
bring your little "key blue" home
safe and sound without entangling
alliances. I hope that it will not be
necessary to call a Special Stockholders
Meeting although your stockholders always
enjoy the opportunity of hearing themselves
speak.

Will you please convey the contents
of this report to Bro. Dempsey who made
my job so much easier.

Any marked change in temperature of the
patient will be promptly reported.

Respectfully Yours -
Rus. Robb.

huff - the President had breakfast with
me alone this morning - and he is now
at my elbow asking about his nomin-
ations.

You must appreciate this is not all
bread and honey for me - but I beseech
you to treat my case lightly as I
confident Brother Hill will. As soon
as I am able to acquire the sense
of Bro. Hill I feel assured that the
retention will be saved.

So rest assured that everything
